

## Private Outsourced Services Provider

This large sterile services department is an example of our ability to provide our specialist services to multi-manufacturer sites.

We service, validate and provide breakdown cover for seven of their decontamination sites across the UK. The quality of the work we have provided has resulted in Audere Medical Services Limited being commissioned to undertake other works including repairs to steam pipework, and peripheral equipment.

### Services provided

- Maintenance
- Emergency Repairs
- Calibration and Validation
- Spares and Consumable Parts
- Service Contract Schemes

### Equipment serviced

- Sterilizers
- Washer Disinfectors
- Ultrasonics
- Compressors

*"Having just the one company to provide all that they do is most certainly of benefit to our department. We know the engineers, they know us and our equipment and they are a very reliable part of our team."*

**Production Manager, POSP**
